

## Inspect Point Fee Schedule

### Transaction Fees

These are the fees that are paid to Inspect Point on each transaction.  
Funding takes 1-2 days for credit card and 5-7 days for ACH payments.

| Transaction Type    | Rate                | Note   |
|---------------------|---------------------|--|
| Credit Card (Keyed) | 3.30%               | "Keyed" means the card was typed into the Inspect Point web invoice. |
| ACH                 | 1% (Capped at \$50) | Direct payments are processed at 1%, with a \$50 maximum.            |

### Transaction Fees with Next-Day Funding

Next Day funding costs .5% per transaction and speeds up funding for most transactions from 2 days for credit card and 5-7 days for ACH to next day.

| Transaction Type    | Rate                   | Note   |
|---------------------|------------------------|--|
| Credit Card (Keyed) | 3.35%                  | "Keyed" means the card was typed into the Inspect Point web invoice. |
| ACH                 | 1.05% (Capped at \$50) | Direct payments are processed at 1.05%, with a \$50 maximum.         |

### NON-RECURRING Processing Fees

Inspect Point is charged the following NON-RECURRING administrative fees by our partner who facilitates payments. We do not add a commission on top of what we are charged.

| Fee Type                          | Applicable to | Rate    | When Does the Charge Occur   |
